Holiday Announcement

OF THE NEW

Boston Bargain Store!

It is a Little Early, But We Want to Emphasize a Few Facts in Regard to Our New Store.

First—Our store is large and well lighted, with broad aisles, affording plenty of room for a large crowd, and fitted with modern show-cases and counters, arranged for the convenience of our customers as well as our store people.

Second—During our business experience here of thirteen years we have been flooded with water three times, moved twice and been burned out once, but have always enjoyed the confidence of the purchasing public, and from the vantage of the **best store in Vermont** in our line of business. We still say: "Everything as represented or your money back."

Third—And perhaps the most important one for you, **OUR ENTIRE STOCK IS NEW AND UP TO DATE.** There are no "left overs" or "back numbers." You may be sure that every article purchased at our store was shipped from market inside of two months ago. You may also be sure that **only a reasonable profit** is added to the goods.

Don't you think these are three pretty good reasons why we should have some of your holiday trade?

Next week we shall have something further to say about the goods.
